- 6:24 pm **ActiveIngreds:** RT @KellyeCrane: Q3: How do you justify retainers over \$2k/mo, and/or how do you explain your hourly rate? #solopr
- 6:24 pm **mdbarber:** Q3 -- My hourly rate is based on 30 year proven track record. I haven't found I need to explain it. #solopr
- 6:24 pm **KellyeCrane:** Q3: But seriously, your hourly rate reflects your worth in the marketplace. That's the only explanation they need. #solopr
- 6:24 pm **KCDPR:** And I offer client references galore! RT @cortland: Q3: Justify w/proven results & testimonials you can show to prospects. #solopr
- 6:24 pm **krisTK:** Q3: Hourly rate is based on what's in my head, not what I produce with my hands. I compare my services to legal counsel. #solopr
- 6:24 pm **rantonette:** Q3: I would ask how you justify retainers under \$3k a month. \$3k is \$36,000 annually, less than what they would be entry-level. #solopr
- 6:24 pm **ActiveIngreds:** RT @mdbarber LOL!!! Usually is a red flag isnt it RT @KellyeCrane Q3:If someone asks me to explain my hourly rate,I show em the door #solopr

- 6:25 pm **mdbarber:** Q3-- Re: retainers, wish I had them that large. But if the work load justifies that amount, it would be understood going in. #solopr

- 6:26 pm **ActiveIngreds:** it's all about value - what someone is willing to pay for how badly they think they need YOU - never sell yourself short #solopr

- 6:26 pm **ActiveIngredds:** how do you establish a retainer? #solopr
- 6:26 pm **SoloDovePR:** RT @KCDPR: Bingo. RT @mdbarber: Q3 -- My hourly rate is based on 30 year proven track record. I haven't found I need to explain it. #solopr
- 6:26 pm **jamieprince:** Agree!@krisTK RTQ3: Hourly rate based on what is in my head, not what I produce w/ my hands. I compare my services 2 legal counsel.#solopr
- 6:27 pm **KCDPR:** I use that analogy often! Plus no benefits , etc needed RT @rantonette: Q3: I would ask how you justify retainers under \$3k a month. #solopr
- 6:27 pm **LauraScholz:** Q3: You shouldn't have to justify your rate. It's based on your services/experience. No one questions doctors, lawyers, CPAs, etc #solopr
- 6:27 pm **ActiveIngredds:** @jamieprince good idea #solopr
- 6:27 pm **krisTK:** @ActiveIngredds Start with hourly rate x hours/month. Include any % of costs related to serving that client. #solopr
- 6:28 pm **KCDPR:** Re: Q3: We have a minimum range and no maximum range --100% clients are on retainer. Easiest way for both sides. #solopr
- 6:28 pm **rantonette:** I agree with @kristk - and law firms seem to understand this when dealing w/ PR. #solopr
- 6:28 pm **SoloDovePR:** Q3 my monthly retainer is not over 2k and even w/that I sometimes have to spell out word for word what I will do #solopr
- 6:28 pm **KellyeCrane:** RT @krisTK: @ActiveIngredds Start with hourly rate x hours/month. Include any % of costs related to serving that client. #solopr
- 6:29 pm **mvroom:** #solopr Q3: I quote projects, and try not to quote hourly rates so I do not have to justify it. Sometimes difficult when working with govt.
- 6:29 pm **ActiveIngredds:** @krisTK thanks -that's where I was headed, but was wondering what you provide for that fee - x # of hrs? #solopr
- 6:29 pm **KellyeCrane:** RT @LauraScholz: Q3: You shouldnt have to justify your rate...No one questions doctors, lawyers, CPAs, etc #solopr
- 6:29 pm **han_ma:** You have my interest... RT @goldinpr: Looking to hire intern who wants to gain PR experience, can be based anywhere in the U.S. #pr #solopr
- 6:29 pm **jamieprince:** Q3: I actually provide a discounted hourly rate built into retainers, to show xtra value. #solopr
- 6:30 pm **KellyeCrane:** @SoloDovePR Yes. Spelling out word-for-word what's included is a protection for you as much as the client! #solopr
- 6:30 pm **ActiveIngredds:** good idea RT @mvroom: #solopr Q3: I quote projects, and try not to quote hourly rates so I do not have to justify it #solopr
- 6:30 pm **ActiveIngredds:** RT @jamieprince: Q3: I actually provide a discounted hourly rate built into retainers, to show xtra value. #solopr
- 6:30 pm **rantonette:** Keep in mind: NY and LA agencies bill \$160-\$200 for AEs, with 1-2 yrs experience. #solopr
- 6:30 pm **krisTK:** Q3: Retainers allow pros to think stragetically on client's behalf on ongoing basis and provide better counsel. #solopr
- 6:30 pm **KellyeCrane:** RT @rantonette: Q3: I would ask how you justify retainers under \$3k a month. \$3k is \$36,000 annually.... #solopr
- 6:31 pm **rantonette:** This is why agency titles are inflated: need to bill out VP rates. Don't shortchange yourselves, Indies! #solopr
- 6:31 pm **jamieprince:** Q3: My monthly activity reports are also VERY detailed, so no one ever asks me what I did with my time. It's all there. #solopr

- 6:31 pm **krisTK:** @ActiveIngreds Client meetings and proposals lead to an estimated # of hours/month. Research what's going to be involved. #solopr
- 6:31 pm **KellyeCrane:** Yes! RT @rantonette: This is why agency titles are inflated: need to bill out VP rates. Dont shortchange yourselves, Indies! #solopr
- 6:31 pm **ActiveIngreds:** RT @krisTK: Q3: Retainers allow pros to think stragetically on clients behalf on ongoing basis and provide better counsel. #solopr
- 6:31 pm **annebentley:** @rantonette sometimes I explain this to clients - since I am a great deal given what you'd get at a firm for my rate. #soloPR #solopr
- 6:32 pm **LauraScholz:** Q3: Also, I avoid hourly rates altogether, unless it's some one-on-one targeted consulting. I don't like people nitpicking numbers. #solopr
- 6:32 pm **KCDPR:** True VP's bill at \$300/hr! RT @rantonette: This is why agency titles are inflated: need to bill out VP rates.! #solopr
- 6:32 pm **ActiveIngreds:** @jamieprince don't your monthly activity reports take forever to do? #solopr
- 6:32 pm **SoloDovePR:** RT @rantonette Q3: I would ask how you justify retainers under \$3k a month. \$3k is \$36,000 annually, less than entry-level. #solopr
- 6:32 pm **rantonette:** @jamieprince Train your new clients to expect "less" activity report detail - attorneys don't detail every item as PR does. #solopr
- 6:33 pm **krisTK:** Perhaps strategically instead? RT @krisTK: Q3: Retainers allow pros to think stragetically on client's behalf #solopr
- 6:33 pm **aribadler:** Why some firms call interns "associates." RT @KellyeCrane @rantonette: This is why agency titles inflated: need to bill VP rates. #solopr
- 6:33 pm **MsQJ:** RT @rantonette: @jamieprince Train your new clients to expect "less" activity report detail - attorneys don't detail every item as PR does. #solopr
- 6:33 pm **deegospel:** q3: in my niche(literary pr) on top of normal pr service fees we incur for clients there are niche fees that justify it #solopr
- 6:33 pm **MsQJ:** RT @rantonette: This is why agency titles are inflated: need to bill out VP rates. Don't shortchange yourselves, Indies! #solopr
- 6:33 pm **KCDPR:** We do "activity reports" vs. hour by hour. RT @ActiveIngreds: @jamieprince don't your monthly activity reports take forever to do? #solopr
- 6:33 pm **jamieprince:** @ActiveIngreds No, I just make it part of my daily routine. #solopr
- 6:34 pm **LauraScholz:** Sorry I have to leave #solopr chat early. Client meeting at 2pm! Enjoyed chatting w/ all of you!
- 6:34 pm **MsQJ:** RT @krisTK: The value of your network goes beyond networking. New blog post for #solopr pros at <http://www.ipa.prsa.org>. Teleseminar Tues 2 pm ET
- 6:34 pm **krisTK:** Q3: my reports have rows with date, project, activity description and time. #solopr
- 6:35 pm **jamieprince:** @rantonette I think new clients need reassurance more often and want to see you hitting the ground running. Seasoned clients r diff. #solopr
- 6:35 pm **ActiveIngreds:** @KCDPR got it - that's what I'm doing right now - have not had to be more detailed than that so far #solopr
- 6:35 pm **KellyeCrane:** @rantonette @jamieprince I like to outline activities within big buckets the amounts are billed by project/program. #solopr
- 6:36 pm **ActiveIngreds:** do you specialize? ie. by category, industry, type of projects, etc? #solopr
- 6:36 pm **KCDPR:** @ActiveIngreds : If you talk the talk, you'll never have to ;) #solopr
- 6:36 pm **VirtueIMC:** Watching #solopr while I work on a new project... Great chat today ;)
- 6:37 pm **KellyeCrane:** @aribadler Great point. As an intern I was billed out at \$50/hr -- 20 years ago! #solopr

- 6:37 pm **jamieprince:** @KellyeCrane good idea about bucketing. #solopr
- 6:37 pm **rantonette:** @jamieprince Good point re: new clients. Key is set expectations from the beginning - I might avoid hourly blow-by-blow, say. #solopr
- 6:38 pm **SoloDovePR:** @rantonette RE Q3 Price and PR services will always be an issue till clients realize that PR isnt cheap #solopr
- 6:38 pm **akenn:** I also add a summary of results. RT @krisTK: Q3: my reports have rows with date, project, activity description and time. #solopr
- 6:38 pm **KellyeCrane:** Q4: What are some of your biggest "lessons learned" (the hard way, or otherwise)? #solopr
- 6:38 pm **krisTK:** Similar story here. RT @KellyeCrane: @aribadler As an intern I was billed out at \$50/hr -- 20 years ago! #solopr
- 6:38 pm **MsQJ:** RT @goldinpr: Looking to hire intern who wants to gain PR experience, can be based anywhere in the U.S. Know someone? DM me or RT pls. #pr #solopr

- 6:39 pm **jamieprince:** @rantonette I only break down by day, not by hour, so it is manageable. #solopr
- 6:39 pm **KellyeCrane:** @ActiveIngreds Regarding specializing, @KCDPR did a guest post on this - <http://bit.ly/cu1XBA> #solopr
- 6:39 pm **CommAMMO:** Q3 is ques abt "justifying" rates or explaining value rec'd for the retainer? #solopr
- 6:40 pm **chatterboxpr:** @rantonette I agree. I learned @ 1st agency job if you manage clients' expectations from beginning, less problems during campaign. #solopr
- 6:40 pm **akenn:** Q4: my hardest lessons are accounting-related, for sure #solopr
- 6:40 pm **mdbarber:** Q4 -- Lesson learned: Go w my gut. If I have ?/concerns, get answers before going forward. Gut is usually correct. #solopr
