#SoloPR Chat Transcript – 1/25/2012

1. Has anyone used Bulldog Reporter's Media Pro media directory (or other alternative to the big databases)?
2. News of Paula Deens PR rep quitting broke today, what lessons can we learn from this case?
3. Is all the negativity in the GOP race bad PR for Republicans? Or is it just status quo for every election?

[RAntonette](#) 1:51pm via TweetChat

@[SoloDovePR](#) Ah. I simply read it as an ego clash. [#solopr](#)

[LoisMarketing](#) 1:51pm via TweetDeck

This is campaigning. It's how it works! [#soloPR](#) A3

[jgombita](#) 1:50pm via web

@[LoisMarketing](#) @[karens swim](#) don't know many "brands" that are defined as a chain of people, especially when it focuses on one person. [#solopr](#)

[KateRobins](#) 1:50pm via TweetChat

A3. As Auntie Em put it, "... well, being a Christian woman, I can't say it!" [#solopr](#)

[KellyeCrane](#) 1:50pm via TweetDeck

A3: In general, the primary process seems tailor made for pandering (regardless of party), which is damaging long run. [#solopr](#)

[John_Trader1](#) 1:50pm via TweetChat

A3: I find it interesting that the public seems to react more positively to PR focusing on weakness vs. strength [#solopr](#)

[BRUCommunicate](#) 1:49pm via HootSuite

<http://soloprpro.com>

[@SoloPR](#) I think it's for status quo even though there are negative issues surrounding them
[#solopr](#)

[REDMEDIAPR](#) 1:49pm via Echofon

So true RT [@KateRobins](#): [@REDMEDIAPR](#) I'd rather not have vacations than need one.
[#solopr](#)

[LoisMarketing](#) 1:49pm via TweetDeck

More immediacy and more soundbites now. Beyond that nothing has changed at the 'core' of campaigns and related PR. [#soloPR](#) A3

[SoloDovePR](#) 1:48pm via HootSuite

[@RAntonette](#) I read it. But I'm always under the impression there is more to the story [#solopr](#)

[lynnwoolf](#) 1:48pm via TweetDeck

[@3HatsComm](#) Q3. With everyone. Messages are so cluttered now. [#solopr](#)

[akenn](#) 1:48pm via TweetChat

It's interesting to see how negativity is used; always a reflection of the individual IMO (shows strength, reveals flaws, etc) [#soloPR](#)

[iLivemore](#) 1:48pm via HootSuite

A3 A necessary evil - "biting the hand that feeds" - bound to hamper the pres. hopes of the one cand. who wins primary [#solopr](#)

<http://soloprpro.com>

[KateRobins](#) 1:48pm via TweetChat

A3. A lot of wiping out the response to this one and rephrasing. [#solopr](#)

[joeldon](#) 1:47pm via TweetDeck

Agree, many are vying for the Rep nod. [@John_Trader1](#): A3: ...If Republicans were incumbent, Dem's would be doing the same thing. [#solopr](#)

[karenskim](#) 1:47pm via TweetChat

A3: Status quo unfortunately but from a PR perspective not a strategy I would promote [#solopr](#)

[SoloDovePR](#) 1:47pm via HootSuite

bad pr RT [@SoloPR](#): Q3: Is all the negativity in the GOP race bad PR for Republicans? Or is it just status quo for every election? [#solopr](#)

[SoloPR](#) 1:47pm via TweetGrid.com

Salient point RT [@lynnwoolf](#): Unfortunately, at this point in race, negativity keeps you in the news. [#solopr](#)

[John_Trader1](#) 1:47pm via TweetChat

A3: Doesn't the PR negativity speak indirectly to the consumer's conscience on the most effective way to sway voter sentiment? [#solopr](#)

[karenskim](#) 1:46pm via TweetChat

<http://soloprpro.com>

@[jgombita](#) Completely agree with you [#solopr](#)

[RAntonette](#) 1:46pm via [TweetChat](#)

@[_SoloDovePR](#) You prob need to read the NY Post story, but I'd note that pub'st and Deen are near equals in respective fields. [#solopr](#)

[3HatsComm](#) 1:46pm via [TweetChat](#)

With whom? Voting public.. or just media, pundits? RT [@lynnwoolf](#): Unfortunately, at this point, negativity keeps you in the news. [#SoloPR](#)

[LoisMarketing](#) 1:46pm via [TweetDeck](#)

@[jgombita](#) Paula IS the brand. She's not just the CEO. [#solopr](#) [@karensxim](#)

[KellyeCrane](#) 1:46pm via [TweetDeck](#)

A3: I think the primary season is always tough on the non-incumbent party. Things almost always get ugly. [#solopr](#)

[karensxim](#) 1:46pm via [TweetChat](#)

RT [@SoloPR](#): Q3: Is all the negativity in the GOP race bad PR for Republicans? Or is it just status quo for every election? [#solopr](#)

[jgombita](#) 1:45pm via [web](#)

@[karensxim](#) true. Ergo, I suspect she listened to the counsel of her business adviser, more than that of her publicist. [#solopr](#)

Thanks for that. RT [@SoloPR](#): Please keep in mind that Q3 is about PR, not politics. We stay above the fray. :-) [#solopr](#)

[John Trader1](#) 1:45pm via TweetChat

A3: This is clearly PR of EVERY election. If Republicans were incumbent, Dem's would be doing the same thing. [#solopr](#)

[lynnwoolf](#) 1:45pm via TweetDeck

Unfortunately, at this point in race, negativity keeps you in the news. [#solopr](#)

[jgombita](#) 1:45pm via web

[@LoisMarketing](#) in this case I think it's more a pyramid than a chain. PD is at the top (or encased inside). :-) cc [@karensxim](#) [#solopr](#)
