deegospel Jul 25, 1:53pm via TweetGrid.com

a3 @KellyeCrane i got that in my email, but hadn't had time to read what that means for us users. [#soloopr](#)

SoloPR Jul 25, 1:53pm via TweetGrid.com

Good idea RT @KateRobins: [#soloopr](#) The only high powered meeting made for tooth whitening strips.

EddieBrownPR Jul 25, 1:53pm via TweetDeck

A3: Whenever I think of G+ I sigh: Another profile/platform to keep up with. *Slaps wrist* Bad PR Guy. BAD! [#soloopr](#)

@MuslimNewMedia so i'm no longer the Tardy for the Party holder. glad you're here [#solopr](#)

KellyeCrane Jul 25, 1:51pm via TweetDeck

A3: Just FYI- @hootsuite just added G+ page support for all users (had been biz accts only). Not profiles, but pages.[#solopr](#)

RockPolishPR Jul 25, 1:51pm via HootSuite

@KellyeCrane @YOakleyPR [#solopr](#) Yes, historically it becomes uncool after the parents join in...assuming its a fad & not a new way of life

A3: I remember when G+ was unveiled, I wished they'd released it 2 years earlier! It's good tech, but hard to add another network #solopr

KateRobins Jul 25, 1:49pm via TweetChat

#solopr The only high powered meeting made for tooth whitening strips. #solopr

deegospel Jul 25, 1:49pm via TweetGrid.com

a3. real talk. i've been on Twitter longer. studied it. found great ways to research what I need. may not tweet much, but daily user #solopr

dariasteigman Jul 25, 1:49pm via TweetDeck

@KateRobins It's something wacky w/ Google +. I don't have this problem elsewhere. #solopr

RebeccaEdgar Jul 25, 1:49pm via TweetChat

Agree MT @KellyeCrane: A3: Anecdotaly, I see lots of the G+ posts originate from the +1 button. Not sure ppl actually go to site #solopr

KateRobins Jul 25, 1:49pm via TweetChat

@mdbarber Hi MD! #solopr

dariasteigman Jul 25, 1:49pm via TweetDeck

@karensxim Well, I feel better knowing it's not just me. :)#solopr

YOakleyPR Jul 25, 1:49pm via web

@SoloPR I think that usage of Google+ will rise once companies start to figure out how it will affect their Google Search rankings #SoloPR

karensxim Jul 25, 1:48pm via TweetChat

@dariasteigman I have had the same experience, it's frustrating #solopr

SoloPR Jul 25, 1:48pm via TweetGrid.com

Yes, SEO RT @MarketingMel: Google + is dominated by Male developers. I use it some for SEO but it's not my target demo. #solopr

KateRobins Jul 25, 1:48pm via TweetChat

@dariasteigman ...and how long did THAT all take? I'm about ready to time-travel back to "camera-ready" and printers. #solopr

deegospel Jul 25, 1:48pm via TweetGrid.com

a3 @KellyeCrane right. i've learned from years of twitter to click the link and read before I share lol #solopr

RebeccaEdgar Jul 25, 1:48pm via TweetChat

Lots of cool kids on G+ but adoption curve is a lazy one. (As am I today...slo-mo response time). #solopr

dariasteigman Jul 25, 1:48pm via TweetDeck

Me too. RT @karensxim: A3: I have a G+ profile and biz page but mostly for SEO, but not a heavy user #solopr

KateRobins Jul 25, 1:47pm via TweetChat

@MuslimNewMedia Hey there! Long time! How've you been? #solopr

KellyeCrane Jul 25, 1:47pm via TweetDeck

@YOakleyPR @RockPolishPR Also, no teenager wants to be where their parents/grandparents are! #SoloPR

KateRobins Jul 25, 1:47pm via TweetChat

MT @YOakleyPR: @RockPolishPR ...Considering FB07 v FB12, I think it was more popular then since it was more intimate #solopr

dariasteigman Jul 25, 1:47pm via TweetDeck

@karensxim I've resized, I've cropped, I've tried everything. Then I gave up. #solopr

deegospel Jul 25, 1:47pm via TweetGrid.com

@3HatsComm that's usually what I do. I try to get my name on all before someone gets it. you never know #solopr

KellyeCrane Jul 25, 1:47pm via TweetDeck

A3: Anecdotaly, I see that lots of the G+ posts originate from the +1 button. Not sure how many ppl actually go to the site#solopr

karenswym Jul 25, 1:47pm via TweetChat

@dariasteigman Same here with logo issues, even when resized and like you too much on plate to let it make me crazy!#solopr

deegospel Jul 25, 1:46pm via TweetGrid.com

AMEN RT @LoisMarketing: On a personal note I pray and hope for a safe and successful Olympics. I know we all do!#solopr

3HatsComm Jul 25, 1:46pm via TweetChat

@deegospel Been debating biz page but I'd still engage as me. It'd be static, placeholder page for SEO. IDK if that's the best call. #solopr

YOakleyPR Jul 25, 1:46pm via web

@RockPolishPR I have heard much of the same. Considering FB'07 v FB'12, I think it was more popular then since it was more intimate #SoloPR

dariasteigman Jul 25, 1:46pm via TweetDeck

@jgombita That's about naivety, not pushiness. And she's now learned what you sometimes have to deal with. @karenswym#solopr

deegospel Jul 25, 1:45pm via TweetGrid.com

@KateRobins lol #solopr

KateRobins Jul 25, 1:45pm via TweetChat

@SoloPR Yes. I confess I dropped both oars on fb about a yr ago. #solopr

dariasteigman Jul 25, 1:45pm via TweetDeck

@LoisMarketing I have G+ biz page, but I can't get logo to load properly. I finally gave up & glad (so far) no one looks closely. :) #soloPR

@LoisMarketing Have a great afternoon! #solopr

3HatsComm Jul 25, 1:45pm via TweetChat

A3 FWIW I like G+ though I don't have/make the time, don't use it enough. Planning to test for SEO, maybe pimp my own posts a bit?? #solopr

OtunbaJaiyejeje Jul 25, 1:45pm via web

@kflahertycom ..ok, cool. thanks a billion. #solopr

jgombita Jul 25, 1:44pm via web

KateRobins Jul 25, 1:44pm via TweetChat

YAWN...yup! RT [@deegospel](#): a3 [@KellyeCrane](#) no. i test some of news articles w/ it to det reach, but its so new & sm fatigue has set in [#solopr](#)

SoloPR Jul 25, 1:44pm via TweetGrid.com

It's where the rubber hits the road...;-) [@KateRobbins@SoloPR](#) [#solopr](#)

deegospel Jul 25, 1:44pm via TweetGrid.com

Exactly RT [@karensxim](#): [@deegospel](#) I haven't but have seen some interesting uses like Mayor holding town hall via G chat [#solopr](#)

SoloPR Jul 25, 1:44pm via TweetGrid.com

Some evidence of this MT [@RockPolishPR](#): they say that FB is becoming less imp mainly & the youth will rebel against it + move on. [#solopr](#)

RT @dariasteigman: A3 Im agnostic on G+ as yet. Searchability component makes me use it a little (and probably should post more). #solopr

karenswim Jul 25, 1:43pm via TweetChat

@deegospel I haven't but have seen some interesting uses like Mayor holding town hall via G chat #solopr

KellyeCrane Jul 25, 1:43pm via TweetDeck

@KateRobins I get your point. Just because G+ is on the periphery currently, doesn't mean it will stay there. #solopr

deegospel Jul 25, 1:42pm via TweetGrid.com

a3 @KellyeCrane no. i test some of my news articles with it. to determine the reach, but it's so new & sm fatigue has set in #solopr

KateRobins Jul 25, 1:42pm via TweetChat

@SoloPR updating the resume with that as we speak...#solopr

3HatsComm Jul 25, 1:42pm via TweetChat

@KellyeCrane Ah but it's the 'regular' people that we communicators (businesses) want/need to reach. Until G+ gets them.. IDK. #solopr

LoisMarketing Jul 25, 1:42pm via TweetDeck

@KellyeCrane Yes, agreed. I don't want to advocate Hangouts within company's internal comm but can see them as extension. Good pt #solopr

KellyeCrane Jul 25, 1:41pm via TweetDeck

A3: I think G+ has important uses (esp Hangouts), but have yet to see it gain widespread traction w/mass market #solopr

RebeccaEdgar Jul 25, 1:41pm via TweetChat

RockPolishPR Jul 25, 1:41pm via HootSuite

#solopr...they say that Facebook is becoming less important mainly & the youth will rebel against it + move on. I'm not convinced but hmm

dariasteigman Jul 25, 1:41pm via TweetDeck
