Q3: Follow-up: Do you have a "code of ethics" or do you just "know it when you see it"? [#solopr](#)

Q4: What do you do when you get along with everyone at your client org, except the person they have managing you? [#solopr](#)

[SoloPR 1:54pm via Twubs](#)

@[SoloPR](#) Obviously, Twitter infrastructure cannot handle the heavy volume and insights shared by [#soloPR](#).

[karens swim 1:50pm via HootSuite](#)

@[mdbarber](#) Ha! Yes indeed, you too! [#soloopr](#)

[SoloPR 1:50pm via Twubs](#)

Remember, we keep chatting on the hashtag all week. The recap/transcript of today's chat will be on the blog tomorrow. [#soloopr](#)

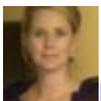

[dariasteigman 1:50pm via TweetDeck](#)

Have a good afternoon. I'm off to multitask work & the @[Nationals](#) game. [#soloopr](#)

[mdbarber 1:49pm via tchat.io](#)

Great chat today folks. Have a good and ethical week. [#soloopr](#)

[RebeccaEdgar 1:49pm via TweetDeck](#)

@[KellyeCrane](#) @[KristK](#) me too. End is worth it, but getting there can be exhausting [#soloopr](#)

[SoloPR 1:49pm via Twubs](#)

You all packed a lot of smarts into 48 minutes! [#soloopr](#)

[dariasteigman 1:48pm via TweetDeck](#)

+1 RT @[KellyeCrane](#): A4: Insecure people can be threatened by the fabulous [#soloopr](#) pros, but the smart ones use us as secret weapons!

[LoisMarketing](#) 1:48pm via TweetDeck

@[KellyeCrane](#) Here we go with those 140 again! [#soloPR](#)

[SoloPR](#) 1:48pm via Twubs

Great discussions everyone - some excellent insights today! Since Twitter is being weird, I think we'll call it quits a bit early. [#solopr](#)

[LoisMarketing](#) 1:48pm via TweetDeck

@[KellyeCrane](#) Yes. Perhaps better way to express is that the channel of comm remain open at higher level [#soloPR](#)

[karens swim](#) 1:48pm via HootSuite

Yes it can! RT @[mdbarber](#): A4 - Be VERY cautious of going above your primary contact. It can backfire on you very quickly. [#solopr](#)

[mdbarber](#) 1:48pm via tchat.io

Nice! RT @[RebeccaEdgar](#): A4: start w 2-way symmetrical comm - the "most" ethical type of comms. Hey, that came full circle;-) [#solopr](#) [#solopr](#)

[karens swim](#) 1:47pm via Twubs

...and now Twubs has stopped for me, on to the next chat client [#solopr](#)

[KellyeCrane](#) 1:47pm via TweetDeck

@[LoisMarketing](#) Meant to say, build new relationships. [#solopr](#)

[mdbarber](#) 1:47pm via [tchat.io](#)

A4: start with 2-way symmetrical comm - the "most" ethical type of comms. Hey, that came full circle;-) [#solopr](#)

[KellyeCrane](#) 1:47pm via [TweetDeck](#)

@[LoisMarketing](#) Yes, but no matter who you work with, they can always move on and you need to rebuild relationships, no? [#solopr](#)

[mdbarber](#) 1:47pm via [tchat.io](#)

Sorry point of contact. RT @[JanetLFalk](#): @[mdbarber](#) Pls define POC [#solopr](#) [#solopr](#)

@[JanetLFalk](#) @[mdbarber](#) Point of contact [#solopr](#)

[KellyeCrane](#) 1:46pm via [TweetDeck](#)

A4: I think it was @[KristK](#) who said earlier that you can outlast a lame client contact. Has happened to me many times. [#solopr](#)

[JanetLFalk](#) 1:46pm via [web](#)

@[mdbarber](#) Pls define POC [#solopr](#)

[mdbarber 1:46pm via tchat.io](#)

@[RebeccaEdgar](#) It's an important starting point in any relationship [#solopr](#)

[LoisMarketing 1:46pm via TweetDeck](#)

@[KellyeCrane](#) Your main contact should be higher up from the beginning, someone you can engage if there's a problem/question [#soloPR](#) A4

[KellyeCrane 1:45pm via TweetDeck](#)

A4: Insecure people can be threatened by the fabulous [#solopr](#) pros that are here, but the smart ones use us as secret weapons!

[mdbarber 1:45pm via tchat.io](#)

BINGO! RT @[kcwriter](#): RT @[KellyeCrane](#) A4: But do not try to go around your point person completely - they will not like it! :-)
[#solopr](#) [#solopr](#)

[RebeccaEdgar 1:44pm via TweetDeck](#)

+1 RT @[mdbarber](#): A4 - Listening key to any relationship..need to hear what POC wants/what they aren't getting from u. Opp'y 2 learn. [#solopr](#)

[KellyeCrane 1:44pm via TweetDeck](#)

A4: If you are thinking of walking away from the client, request a mtg w/higher ups to discuss (but only then). [#solopr](#)

[mdbarber 1:43pm via tchat.io](#)

A4 - Listening is key to any relationship. You need to hear what the POC wants and what they aren't getting from you. Opp'y 2 learn. [#solopr](#)

[KellyeCrane](#) 1:43pm via [TweetDeck](#)

@[kcwriter](#) Good point that going back to an agreed upon, measurable plan can help frame the discussions. [#solopr](#)

[mdbarber 1:41pm via tchat.io](#)

I have tweetdeck, twubs and tchat.io all open. Each have worked at different points today. Rather frustrating but it's what happens. [#solopr](#)

[KellyeCrane 1:41pm via TweetDeck](#)

Yes! RT @[JanetLFalk](#): Understand their agenda. Find a way to make that person look good to get them more on your side. [#soloPR](#)

[3HatsComm 1:41pm via Twubs](#)

this. RT @[KristK](#) A4: Some mgrs think of [#solopr](#) pros as vendors, not partners. Impacts relationship, their consideration of our counsel.

[dariasteigman](#) 1:39pm via [TweetDeck](#)

@[3HatsComm](#) @[KristK](#) Agreed. They are not my clients (or not for long). It just isn't the "right fit" (for them or me). [#solopr](#)

@[SoloPR](#) So weird, it's working for me [#solopr](#)

[3HatsComm](#) 1:38pm via [Twubs](#)

@[KristK](#) Agree though easier said than done. Some clients have that 'I'm the boss of you, do what I say' attitude [#solopr](#)

@[JanetLFalk](#) @[jendonovansf](#) Totally agree Janet! [#solopr](#)
