Well, we're almost out of time so a Q from me to all of you! What topics would you like to see covered in future chats? [#solopr](#)

[MBennett715 1:53pm via Twitter for iPhone](#)

@[PRisUs](#) some days our job description includes "therapist." [#solopr](#)

[KristK 1:53pm via tchat.io](#)

A7: I also teach PR and social media so social channels offer crowd-sourcing, case studies, blunders and best practices. [#solopr](#)

[KarenSwim 1:51pm via Hootsuite](#)

A7: For personal, not using as much as in past, so mostly to keep in touch...barely. [#solopr](#) [#timetogetmylife](#)

[PRisUs 1:51pm via Twitter Web Client](#)

@[gregwbrooks](#) Wow, glad to know it's not just me who sometimes feels that loneliness, working on my own. Social is good for that! [#solopr](#)

RT @SoloPR: Q7. What is the primary way you use social - support/promote initiatives, lead gen, other? #solopr

[PRisUs 1:49pm via Twitter Web Client](#)

@SoloPR I use it to promote my biz, and connect w/others. For clients, I use it to help with #contentmarketing. #solopr

[SoloPR 1:49pm via tchat.io](#)

@PRisUs that is the way it happens but so important to plan back-up and take time off. #solopr

[gregwbros 1:49pm via Twitter Web Client](#)

A7's most honest answer: So I feel less alone. See also: Feeding my planet-sized ego. #solopr

[SoloPR 1:49pm via tchat.io](#)

Thanks @KristK for sharing that suggestion, it is a good one! cc @SPRF2016 @JaimePrimak #solopr

[KristK 1:49pm via tchat.io](#)

A6: I'm starting slow -- 60 minutes a week devoted to brainstorming, creativity, big ideas. @JaimePrimak #sprf2016 #solopr

[PRisUs 1:48pm via Twitter Web Client](#)

Never fails that when I plan a vaca--I get busy! #solopr

[fransteps 1:48pm via tchat.io](#)

RT @SoloPR: Q7. What is the primary way you use social - support/promote initiatives, lead gen, other? #solopr

[KristK 1:48pm via tchat.io](#)

A6: @SPRF2016 keynote speaker @JaimePrimak (FAB, by the way!) suggested creatives spend 60 minutes a day being creative. #solopr

[fransteps 1:47pm via tchat.io](#)

A6: Once I saw a slow period coming, so I wrote an e-book to use w/ clients & in presentations. That was lucky! Other times, uh..... #solopr

[SoloPR 1:47pm via Hootsuite](#)

Q7. What is the primary way you use social - support/promote initiatives, lead gen, other? #solopr

[SoloPR 1:47pm via tchat.io](#)

Also smart to vacation at all, lol! @PaulaJohns #solopr

[PRisUs 1:46pm via Twitter Web Client](#)

@KristK Oh, yes! good ones! Coffee meetings to catch up w/folks. Prof development (which reminds me re: those Lynda courses!). #solopr

[SoloPR 1:46pm via tchat.io](#)

@PaulaJohns Smart strategy to vacation when you know it will be slow, less stressful! #solopr

[KarenSwim 1:46pm via Hootsuite](#)

Love @KristK's answer. Recently leaned into a slow period and enjoyed it. It did not last and I was thankful for the rest! [#solopr](#)

[gregwbrooks 1:45pm via Twitter Web Client](#)

A6: I'm the sole income, so slow periods involve crying, pricing out my kidneys and making sure there are no more damn slow periods. [#solopr](#)

@SoloPR A6:Keep a list of things to do marketing-wise to catch up on. Write/blog. Also contact clients I've worked with in past. [#solopr](#)

[PaulaJohns 1:44pm via tchat.io](#)

Traditionally slow periods are when I vacation -- 4th of July and Christmas/December holidays. [#soloPR](#)

[SoloPR 1:44pm via tchat.io](#)

Great point @[KristK](#) that it can be a positive, time to read, catch up and have fun!
[#solopr](#)

[SoloPR 1:43pm via tchat.io](#)

For Q6, those that you know are coming, could be seasonal and the unexpected slow periods [#solopr](#)

[KristK 1:43pm via tchat.io](#)

A6: Slow periods allow time to focus on business, read, write, schedule meetings. And fun. I hear fun can be had too. [#solopr](#)

[SoloPR 1:43pm via tchat.io](#)

Well that is an interesting question! RT @[fransteps](#): A6: you mean the ones you see coming? [#solopr](#)

RT @SoloPR: Q6. How do you fill slow periods in your business? [#solopr](#)

Q6. How do you fill slow periods in your business? [#solopr](#)

[MBennett715 1:40pm via Twitter for iPhone](#)

A5: getting better at nipping time sucks in the bud. Keep to timeline on calls and don't get sucked into personal woes. [#solopr](#)

A5b: In terms of *client* boundaries? I don't have many. Part of what they pay for is the ability to call me at 3 a.m. in a panic. [#solopr](#)

[KristK 1:39pm via Twitter Web Client](#)

RT @[SoloPR](#): Q5. How do you make sure you set good client boundaries? Checklist to keep you accountable, standard contract? [#solopr](#)

[dariasteigman 1:39pm via TweetDeck](#)

Back to my meeting. Will have to catch up with the transcript later. [#solopr](#)

[SoloPR 1:39pm via tchat.io](#)

Totally relate! RT @gregwbrooks: A5: Most of my contracts reference a scope...Not that it makes me very accountable. :) #flake #solopr

[KarenSwim 1:38pm via Hootsuite](#)

A5: I also have notes to remind me of things that I have learned from client experiences. #solopr
